

GOVERNMENT OF KERALA

Abstract

Finance Department – Practice of holding/parking of funds in STSB Accounts under Public Account by Departments and State owned PSUs / Autonomous Institutions – Resumption of funds from STSB Accounts – Approved-Orders issued.

FINANCE (Streamlining) DEPARTMENT

G.O.(P) No.156/2017/Fin

Thiruvananthapuram, Dated, 14.12.2017

ORDER

It has been observed that various departments and State owned PSUs/ Autonomous Institutions have been undertaking transfer credit of funds from Consolidated Fund of the State to Special Treasury Savings Bank (STSB) Account. It has also been noticed that such funds have been lying in STSB Accounts over extended periods of time. It is not an appropriate budgetary practice to park funds like this. It increases outstanding amount in Public Account of the State thereby increasing the gross and net borrowings of the State. It also prevents timely reaching of benefits of the schemes to the people. Due to availability of STSB facility, laxity is observed in implementation of the schemes. Keeping large amounts of funds in STSB Accounts also results in rolling over of cash expenditure from one year to another year thereby disturbing the budgetary controls and processes.

2) In the circumstances, keeping in view all these factors and perspective, the practice of parking huge funds in STSB accounts by Departments and State owned PSUs / Autonomous Institutions under Government of Kerala is to be discouraged. As part of this approach, Government departments and State owned PSUs / Autonomous Institutions holding funds in excess of Rs.1crore in STSB Accounts up to the end of previous year 2016-17 and who have not yet spent those amounts as on 30th November 2017, such amounts in the STSB Accounts would be resumed to the Consolidated Fund of the State and such STSB Account would be equally debited with that amount. The details of such resumption of funds from STSB Accounts is provided in the **Annexure**. Reduction in STSB Accounts and Public Accounts of the State according to this Government Order would be of Rs.5630 crore, thereby reducing the Public Account by this amount.

3) The Public Account of the State being held in STSB Accounts could be reduced by a total of Rs.6000 crore by 31st March 2018, including amount covered by this Government Order.

4) The concerned Departments and State owned PSUs / Autonomous Institutions should approach Finance Department for further allocation of resumed funds through Additional Authorization and Supplementary Demand for Grants (SDG) next year from April 2018 onwards. The proposals should contain detailed justification of requirement of such funds. The Departments should also inform when such funds would be required. The proposals for Additional Authorization / Supplementary Demand for Grants would be considered in the current year only in exceptional cases, if the urgency and requirement in such cases is duly demonstrated.

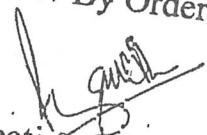

5) Detailed guidelines to be followed for further allocation of resumed funds will be issued separately.

(By Order of the Governor)
MANOJ JOSHI, IAS
Principal Secretary (Finance)
