JS&MD (AMRUT) outlined the agenda for the meeting and presented progress in project implementation. Thereafter, discussions on the agenda items were initiated as follows:

Agenda 1: Progress in implementation of AMRUT

Atal Mission for Rejuvenation and Urban Transformation (AMRUT) was launched by the Hon'ble Prime Minister in June, 2015. Against the total SAAPs of Rs.77,640 crore, Detailed Project Reports (DPRs) have been approved by the States/UTs for projects worth Rs.80,448 crore and DPRs for projects worth Rs.1,522 crore are yet to be approved. Some States/UTs have taken projects in excess of approved SAAPs for which, the entire additional cost will be borne by the respective State/UT.

Out of the approved DPRs of Rs.80,448 crore, contracts have been awarded for projects worth Rs.66,093 crore, including completed projects of Rs.4,725 crore. Further, for projects worth Rs.8,306 crore, Notice Inviting Tenders (NITs) have been issued and for remaining DPRs of Rs.6,049 crore, NITs are to be issued.

Discussion

Secretary, HUA directed all States/UTs to focus on fast-tracking of projects and ensure completion of projects by end of the Mission. Further, States like Uttar Pradesh, Punjab and Kerala discussed the issue of non-receipts of bids in tendering process for awarding water supply and sewerage projects and requested Ministry's support. Secretary requested concerned States/UTs to discuss and share suggestive measures with JS&MD (AMRUT) to facilitate Ministry's interventions.

Decision of Apex Committee:

The Apex Committee stated that the progress of the Mission may be expedited in all States/UTs.

Agenda 2: Review of SAAP-III of Assam pending for approval

Government of Assam has submitted that they have achieved the 4 milestones required for approval of SAAP-III. As regards the remaining mandatory condition of awarding contracts for projects costing at least 25% of the size of their SAAP-I (Rs. 188.16 crore), State has submitted that they had floated tender for Dibrugarh Water supply project under SAAP-I, but the rate quoted by the only bidder (after 3rd call) was abnormally higher than the estimated cost and was not acceptable. Therefore, it had been decided to re-tender the project with revised estimates. Meanwhile, the tender for Nagaon Water Supply under SAAP-II for Rs.211.86 crore was floated and Letter of Award (LoA) has been issued to successful bidder.

State has submitted that the milestone of award of contracts for at least 25% of SAAP-I may be considered as deemed achieved in view of already issued contracts for projects of SAAP-II costing Rs.216.76 crore (which is 99% of the approved size of SAAP-II i.e. Rs.218.67 crore). State has accordingly requested to accord formal approval for SAAP-III of Assam.

AMRUT Division has proposed to accept the request of State to accord approval of SAAP-III of Assam and consequent release of first instalment of Central Assistance (CA) against it.

Decision of Apex Committee:

The Apex committee accorded approval for release of 1st instalment of SAAP III as a special case to the State of Assam.
