Henceforth, the amount required for the lifts can be released at the earliest.
- ❖ The Corporation may be asked to propose low-cost construction techniques to complete the Skywalk so that it can be opened to the public. Director, KWA, requested to place the agenda for taking appropriate decision on pre-qualification of the bidder of the sub-work, “**Karumalil & Vady Zone**”, of the sewerage sector main work “**Balance Sewer Network**”, and informed as follows:

Details of Work	Reason
<p><b>Main Work:</b> Balance Sewer Network</p> <ul style="list-style-type: none"> <li>AS Amount: Rs.93.612 Cr. [G.O. (Rt) No. 1298/ 2021/ LSGD dated 09.07.2021]</li> </ul> <p><b>Sub-work:</b> Karumalil &amp; Vady Zone</p> <ul style="list-style-type: none"> <li>TS Amount: Rs.25.245 Cr.</li> <li>Tendered PAC (TPAC): Rs.21.237 Cr.</li> </ul>	<ul style="list-style-type: none"> <li>Tenders were invited several times from 16.11.2021 onwards but no bids were received. Subsequently the estimate was revised incorporating additional provisions and new GST rate, which came into force with effect from 01.01.2022. Even though tenders were again invited several times, no bids were received.</li> <li>The estimate of sewerage network work was divided into four packages namely, (1) Iron Bridge Zone, (2) Karumalil &amp; Vady Zone, (3) Asramom Zone and (4) Thamarakulam &amp; Pallithottam Zone.</li> <li>Further splitting up of the work is not possible as it will badly affect the execution of work and commissioning of the scheme.</li> <li>After splitting up also no offers were received in the tenders floated. Hence these estimates were re-cast in PRICE- 3 and tenders were again invited.</li> <li>When the estimate of Thamarakulam &amp; Pallithottam Zone was re-cast in PRICE-3, additional AS was required. Hence the same was placed under AMRUT-2.0 and AS has been obtained separately.</li> <li>The Karumalil and Vady package was tendered by the Superintending Engineer, P H Circle, Kollam with due date on 13.03.2023. Since no bidders participated, this tender was cancelled and re-tender was floated with due date on 10.04.2023 and the technical bid was opened on 11.04.2023.</li> <li>In the tender, only a single bidder participated namely, M/s. Reminize Sewer Network Pvt. Ltd., IX/334 Sunitha Bhavan, Kollampuzha, Avanavanchery Road, Attingal, Trivandrum.</li> <li>The Superintending Engineer, PH Circle Kollam submitted the tender to the office of the Chief Engineer (SR) for pre-qualification of the bidder.</li> <li>The STC (Special Tender Committee) at the CE's office which met on 27.04.2023 recommended to disqualify the bidder as they don't meet the technical &amp; financial requirement as per NIT conditions.</li> <li>The minimum financial criteria to participate in the tender are (1) Net worth - Rs.212.37 Lakh, (2) Average Annual Turnover - Rs.424.73 Lakh and (3) Solvency - Rs.424.73 Lakh.</li> <li>M/s. Reminize Sewer Network Pvt. Ltd., submitted an appeal to award the work to them as they are a "Startup India" company recognized by Ministry of Commerce &amp; Industries Department and claimed that they are eligible for relaxation regarding prior experience and prior turnover criteria as per the circular issued by the Ministry of Micro, Small &amp; Medium Enterprises.</li> <li>The STC met on 08.05.2023 examined the matter and again recommended to disqualify the bidder as they don't satisfy mandatory requirements as per NIT conditions.</li> <li>This is the single offer received after so many tender/retender calls. This work is necessary for the proper functioning of Kureepuzha STP which is nearing completion.</li> <li>The sewage treatment system in Kureepuzha is being observed by the Hon'ble NGT and is also included in the Hon'ble Chief Minister's priority projects.</li> <li>In the above circumstances, since the work is sanctioned under AMRUT-1.0 and considering the urgency an appropriate decision regarding the pre-qualification of the bidder may be taken.</li> </ul>

## **28<sup>th</sup> SLTC Decision:**

The Committee decided as follows:

- ❖ KWA shall ascertain the possibility of giving exception to start-ups like M/s. Reminize Sewer Network Pvt. Ltd., by obtaining the opinion of the IT Dept./ Industries Dept.
- ❖ The decision on the matter will be taken based on the opinion of the IT Dept./ Industries Dept.

Subsequently, vide letter dated 20.06.2023, the Secretary, IT Dept. was requested to provide an opinion on the matter. Reply is awaited from the IT Dept.
